

Glass Canopy

TYPE - M

OUR GUARANTEE

High quality door canopy designed and hand made in the UK

Tubular brackets fabricated from Marine Grade 316 Stainless Steel which support a 10mm clear toughened safety glass secured by satin finish stainless steel fixings (Marine grade 316). When fitted the canopy has a gentle (approx. 3 degree) slope to aid water run-off at the front end.

Wind and Snow load certification

All sizes have been tested to ensure they meet or exceed stress/deflections and snow loads in accordance with EN12150 and BS 5516-2.

Size options

Width (mm)	Projection (mm)
1345	755
1544	755
2079	755
2200	755
2400	755

Bespoke sizes available to order

Steel Finish Options

Brushed finish Stainless steel (Marine Grade 316) The brackets are made from a single tube which is heat treated and gently shaped to avoid any welds.

How is the canopy supplied?

Your door canopy is supplied flat packed with easy to follow instructions. Each kit includes M10 rawlbolt M10 x 80mm long fixings with grey nut covers, machined and polished grade 316 stainless steel fixings to attach through the glass sheet. A fitting template is supplied to ensure perfect alignment when drilling holes into your wall.
